JUNIOR FRONTEND DEVELOPER

# Anna Marchenko

✉ aniamarkh@gmail.com

🧭 aniamarkh.com

📍 Istanbul, Turkey

# Profile

A Junior Frontend Developer with roots in civil engineering, excelling in writing clean, scalable code. Skilled in crafting accessible and user-friendly interfaces using Vue.js framework.

# Education

### RS School

2022

JavaScript/Front-end Course

Self-study, webinars, cross-checks, mentor-guided projects, including a team project.

### St Petersburg State University of Architecture and Civil Engineering

2014 – 2018

Bachelor's degree in Civil Engineering

Analytical thinking, problem-solving, and attention to detail were essential in my engineering studies.

# Job experience

### MJML email developer at Kryptex

2022 – 2023, part-time

Developed pixel-perfect and responsive email templates from Figma designs using MJML
